

24 Monday In **Meru town** there are a group of University students who meet every Sunday afternoon for Bible study. The church in Miathene is too far for them to attend regularly. Eric Kahure will be visiting Meru regularly this year to attend the Bible study with prospects of planting a church there the following year.

25 Tuesday We have two men doing **internship** in 2020 who are members of TBC: Paul Ruhu and Ebenezer Kimathi. Being TPC students, they will be required to devote at least half of their time to their studies and then be involved in various aspects of ministry.

26 Wednesday **Siaya** TBC has been pastored by Charles Abwok for long, but since he relocated from the town the church has been struggling, even though he still ministers there every Sunday. The plan is to send Nick Teka to live there, fill the pulpit and eventually pastor them, God willing see 2).

27 Thursday Please continue to pray for the **Rendille** ministry, especially for conversions through the preaching of the gospel. Brother Stanley and the 3 evangelists in Korr preach in many places. We are longing for someone to preach weekly in places such as Lekuchula and Losidan where we have sponsored Primary Schools.

28 Friday **Grace & Truth** 132 has been completed and we are waiting for its printing. We hope that before today this will have been done. Please pray for us as we seek to make biblical literature available. Virtue copies of this magazine can be accessed at, <https://www.trinity.or.ke/grace-and-truth/>.

29 Saturday Today we have the **Sunday School** Teachers training at TBCN. Pray that the Lord will add more teachers into the SS teachers team. The team is also in need of resources and materials to well equip these teachers. Thank God for DK who leads this team and runs the Children's Sunday School ministry.

'PRAY FOR KENYA' - FEBRUARY 2020

1 Saturday Today, at 7:00 a.m. we have a **prayer meeting** at TBCN. This is especially meant for the people who do not attend any midweek fellowship. Pray for a good attendance and deliberateness by members to attend. (2) Pray that all TBCN members will plug themselves into a midweek prayer meeting/Bible study or start one in their estates.

2 Sunday **Ministry** today: (1) MI continues to teach in the Adults SS classes on the needful topic of Church Discipline. He will also be preaching in the morning service. Huston Malande will be preaching in the evening service at 4 p.m. (2) EA and Nick Teka have travelled to Siaya to prepare ground for Teka to relocate there for ministry.

3 Monday The church in **Vote** has been struggling with grasping and applying biblical doctrines in running church business. People who attend church there consider themselves members (even though they may not even be believers) and they don't understand why some people have to be left out in church business meetings and the Lord's Table. The church has a membership of only 7. Pray that Benson Nyamai will be diligent to teach and apply the word of God without giving into the pressure of the majority.

4 Tuesday The AIC Nakuru **Leaders' Conference** with Conrad Mbewe and Joel Beeke is scheduled to take place 4th. to 6th. February. There are hundreds who attend annually, mostly from the Africa Inland Church. May there be a great harvest! [<https://www.facebook.com/conrad.mbewe.1> for January 18th.]

5 Wednesday Efforts at establishing a church in the main town of **Kapenguria** in West Pokot continue to gather momentum. The lack of a qualified man to lead this work is a great need. The Sunday meetings continue to take place. We pray that the Lord may be pleased to provide for this work.

6 Thursday **Katilu** church is led by Isaac Erot. He has also been engaged in outreach program to two other villages. We thank God for providing us with the resources to help him with a motorbike so that these evangelistic efforts are not hindered. They desire to put up a permanent church building for their meeting place.

7 Friday Today we have our first **Meaty Forum** this year. This month's topic is "Who made God? – A Response to Atheists". Pray for this event that the growing number of self-proclaimed atheists in Nairobi will attend and hear the gospel. Pray for the speakers and panellists to teach the truth of God with much wisdom and grace.

8 Saturday Kima. (1) Thank God for brother Manases Bor and his wife Gloria for their ministry in Community Baptist Church. Manases has been visiting and preaching there every Sunday for the past three months. Pray for the salvation of a number of young people who have been attending. The church membership mostly consists of elderly people. (2) Pray for Donald Kivungi, who's taken leave from ministry to deal with the matter affecting his marriage.

9 Sunday Ministry today: MI is teaching another lesson on Church Discipline in the Adult SS. Pray that the members will not only know how to deal with their sins and those of others but that they may also actively participate in this hard matter of discipline and restoration of fellow brethren to the faith. DK is preaching in the morning service and MI in the evening service.

10 Monday Pray for God's provision for **Chepkinagh TBC**. The church intends to provide for lunch every Sunday so that they can have consistent Evening Worship Services. Pray for the leadership of the church as Andrew Chemolok is also involved with leading other upcoming congregations in the West Pokot region.

11 Tuesday The **TPC** classes were held from the 15th to 22nd. January. Naphtally Ogallo taught two Units – Cults and World Religions and Eschatology. Ten students attended including five new students. The classes were very interactive and profitable as the students reported. We pray that the Lord may enable these brethren to faithfully study to show themselves approved.

12 Wednesday Boyani TBC is in Kilifi County in the coastal region of Kenya. The church has 44 members and is pastored by George Mwanjisi. We were not able to visit them last year, because MI fell sick, but plan to visit them soonest possible.

13 Thursday This morning and every Thursday morning, there is a **Ladies Meeting** at TBCN with 6-8 in attendance. They are currently studying the book 'Disciplines of a Godly Woman'. Pray that ladies who are available during the day will commit to attending this fellowship.

14 Friday Many of us are beginning to collaborate in the writing of a **book** on the history of Trinity Baptist Church in Kenya. We not only wish to give glory to God for what He has done over many decades, but also to sketch out why things were done there they were. It is our hope this will become an encouragement to others to plant local churches in different parts of the world.

15 Saturday The men at TBCN have been going through 2 Thessalonians in the afternoon's **Men's Fellowship** every third Sunday of the month. The ladies in the Women's Fellowship are studying the book 'Taking God at His Word'. Pray for fruitful afternoon meetings tomorrow on the Lord's day.

16 Sunday Ministry today: Huston Malande is teaching the Adult SS class on the issue of Prayer. John Muketha is preaching in the morning service and EA in the evening service.

17 Monday Pray for Felix Patricko and Thomas Lokerisa, pastors of **Kamketo TBC**. They pastor a church of 30 members and coordinate the daily evening devotions at Kamketo Girls' Secondary School. The two also get to share the gospel with Kamketo Primary School students every Friday morning during the PPI.

18 Tuesday Pray for Caleb Otieno of **Nykwaka TBC**. Nykwaka is a small church of 7 members. Pray that the church members will actively engage in evangelism around their community. Pray also for the Lord to provide the church with a deacon to help Caleb with the work there.

19 Wednesday The proposed Bible Light College at **Kasei** has not been able to take off for various reasons, including funding. We trust that the Lord may be pleased to provide resources for the training of men for ministry in their native Pokot tongue rather than in Nairobi in English.

20 Thursday The **TRAIN(Kenya)** charity in the U.K. exists to encourage the work of TBCN and RBAK churches in their continuing work of gospel proclamation. Today the 5 Trustees are having a meeting via Skype. We seek to make the ministry known in various churches in U.K. and to be responsible for disseminating funds.

21 Friday The **Donholm Primary School** evangelism still happens every Friday morning. We pray that the Lord will send more labourers to preach the gospel to these young souls. If we had more teachers we could teach more classes. Pray for the brothers who have committed themselves to preaching at the school to be strengthened and to remain consistent as they have always been.

22 Saturday Today we have our **AGM**. We thank God for the Deacons who organize for the annual budget, accounting and financial audit work every year. Pray for a good attendance so that church decisions will not be hindered due to the issue of quorum. Also pray for an active and intentional participation of members in the meeting and matters of the church generally. Pray for the Elders as they lead and direct the congregation.

23 Sunday Ministry today: (1) Nairobi. Today, we have our first separate Adult SS Classes. The three classes will be running from 9:30 a.m. to 10:45 a.m. Huston Malande will be teaching the general class on the topic of prayer while the Elders take up the other two classes on Marriage and 'Neither riches nor poverty'. (2) KU is again preaching in Charlesworth, continuing in John 17. Last month there was an encouraging congregation of 13.
